Leiden University
Who are you?
There are many quantum games out there

- Quantum Chess
- Quantum Game by Quantum Flytrap
- Quantum Odyssey
- Quantum VR
- Many more...
Let’s keep it simple

ONE GAME

Tiq Taq Toe

TO RULE THEM ALL
What we will do today

- Demo
- Develop concepts
- Pitches
Tic Tac Toe as we know it
Let’s play!

Tiq Taq Toe
Target groups (0-18 years)

- Groep 7/8
- vmbo 4
- havo 5
- vwo 6
- Other?
Keep in mind

• Goal
• Needs of your audience
• Background knowledge
• Possibility to combine the game with other activities
• Be creative!
Let’s get started
Pitches and wrap up
More Quantum Tiq Taq Toe!

National Quantum TiqTaqToe tournament June 11 – 13

New story mode ages 8-12 in development! Kids can play on their own, no teacher needed.

If you want to help in the development, contact Evert van Nieuwenburg:
